ROYAL MAIL HOTEL

DUNKELD

Congratulations on your engagement!

The Royal Mail Hotel's sister property, Mount Sturgeon, is the perfect location for a destination wedding.

Spectacular views of the Grampians and a focus on fine food and wine combine to create a stunning location for your celebration.

Bring family and friends together for a weekend of festivities at the grand Mount Sturgeon Homestead, exclusively yours for the weekend. Once the country home to the Armytage family of the Como House, Melbourne, the house adorns period features and impressive rooms - ideal for a beautiful wedding.

A short walk away is the rustic Mount Sturgeon Woolshed, a great space to host a reception. The bluestone woolshed can accommodate up to 160 guests for a sit down meal and dancing.

The Royal Mail Hotel has many accommodation options on site, ensuring the guests of the wedding can continue the celebrations together.

At the Royal Mail Hotel, we love bringing people together. We are here to make your wedding celebration a truly memorable event.

A Wickens' Wedding Feast

Executive chef Robin Wickens creates original menus, inspired by the organic kitchen garden and seasonal produce.

From big celebrations, to intimate, tailor-made dinners, wedding menus at the Royal Mail Hotel are designed to suit your dietary preferences.

Additionally, the Royal Mail Hotel can accommodate festivities which go beyond the ceremony and reception. Host a casual dinner on Friday night, or brunch on Sunday morning.

Weekend Weddings

There are many activities for your guests to enjoy over the weekend:

The hotel's wine cellar houses one of the most comprehensive and varied wine collections in Australia. It boasts an inventory of 28,000 wines.

Wedding guests can enjoy a tour of our wine cellar with the sommelier including a tasting and nibbles. We can also arrange for a private group tour.

Kitchen Garden Tour

Conducted by the Royal Mail Hotel's chefs, the complimentary tour demonstrates the organic practices employed by the hotel and how the daily harvest influences the menu.

Walking

There are many walking trails in Dunkeld and each guest will receive a map on check-in. The Mount Sturgeon property offers some excellent nature trails with points of interest along the way including an heritage listed gum tree and a stone wall built by the Chinese during the gold rush.
